

DATA BREACHES IN THE HOSPITALITY INDUSTRY: WHAT YOU SHOULD KNOW

Panel Discussion at WLA's Board Hosted Luncheon
June 23, 2015 at DoubleTree by Hilton Spokane City Center

RESOURCES AND PANELISTS

PANELISTS

Peter Henley, CPA, CITP, Senior Director
Clark Nuber PS

peterhenley@clarknuber.com

425-635-7426

Peter leads Clark Nuber's technology team and is a popular speaker and writer on technology in the public accounting industry. As a senior director and certified information technology professional, he assists businesses in aligning technology with their strategic business plans and has made Clark Nuber one of the Pacific Northwest's most technologically advanced CPA firms.

Gregor Hodgson, Vice President
Parker, Smith & Feek

gmhodgson@psfinc.com

425-709-3760

Gregor Hodgson is an account executive and vice president at Parker, Smith & Feek, Inc., one of the Pacific Northwest's largest, independently owned insurance brokerages. He has been involved in the Northwest insurance market for more than 25 years as both an underwriter and broker. At PS&F, Gregor helps premiere hotels, resorts, restaurants and clubs manage their unique risks.

David H. Smith, Owner
Garvey Schubert Barer

dsmith@gsblaw.com

206-816-1392

Attorney David Smith practices in the areas of defense and complex civil litigation. As part of his practice he conducts internal investigations on behalf of clients and represents companies and individuals on a broad array of criminal matters ranging from investigation through trial by jury. He also defends companies, their owners and management in parallel civil litigation arising from allegations of misconduct.

MODERATOR

Julie Eisenhauer, CPA, Shareholder
Clark Nuber PS

jeisenhauer@clarknuber.com

425-451-7235

Julie is a shareholder in Clark Nuber's audit and assurance practice and leads the firm's hospitality industry niche. She works with her clients to provide high quality financial information to meet the needs of owners, investors and management, and she consults with her clients in strengthening their internal controls and operational processes.
